

Ethan Howard Memorial Rig Race

Nov. 11 & 12, 2017, Auburn, NH

The Ethan Howard Memorial Rig Race was the second dryland race of the season (and the first one in the Lower 48) to go off without temperature/weather-related changes. The weekend was sunny and cold, perfect for running dogs. Competitors came from New England, New Jersey, New York, Pennsylvania, and Quebec. All classes were very competitive, with several very close fights for second place. Ed Clifford set a course record in the eight-dog class in what he says was his last dryland race.

The race is a benefit for Liberty House, a charity for veterans. Race participants donated food, clothing, and more than \$400 (which was matched at a rate of \$20 to \$1 for use at a food bank!).
