Manchester, NH is a busy urban center in quiet New England, which combines history, industry and business. Manchester is home to The Millyard Museum, which tracks the history of what is now Manchester back 11,000 years. The Currier Museum of Art focuses on paintings by big names like Picasso and O'Keeffe. Head to the nearby town of Merrimack and visit the Anheuser-Busch Brewery, where guests can taste seasonal beers and see where the infamous Clydesdale horses used to train. Manchester is also home to beautiful running and cycling trails in Derry Park.
